Dear Ms. Stephenson:

CAS is pleased to provide the Council of Prairie and Pacific University Libraries ("COPPUL") with the following SciFinder® Academic Unlimited Access renewal terms for the COPPUL Participating Members listed in Attachment 1:

Term: January 1, 2019 - December 31, 2021

Fees: The fees for the 36-month Term will be invoiced as follows:

January 1, 2019 – December 31, 2019	█	USD
January 1, 2020 – December 31, 2020	█	USD
January 1, 2021 – December 31, 2021	█	USD

The fee breakdown by Participating Member is included in Attachment 1. If after the first year, any Participating Member of Licensee does not receive sufficient funding to license SciFinder for a subsequent year, then CAS agrees to discuss in good faith the account status for the affected Participating Member; however, all other Participating Members will remain committed to the 36-month Term and renewal terms herein.

To indicate acceptance of these renewal terms, please sign below and return this letter to LegalAdmin@cas.org. These renewal terms are valid until December 21, 2018. This letter shall serve as an amendment to your SciFinder License. Except as modified herein, all other terms and conditions of your SciFinder License will remain in full force and effect.

The terms of this letter are confidential among CAS, COPPUL, and the Participating Members. Should you have any questions, please contact Elena Kogan at ekogan@cas.org.
