(Springer Research Group)

1. Term and Continuing Access

- 1.1 The Term shall begin on January 1, 2017 (the "Commencement Date") and shall end on December 31, 2017.
- 1.2 Licensee shall have Continuing Access to all Content of each Subscribed Journal first published during the Term and, on a one-time basis only, in the 12-month period immediately preceding the Term, subject to all terms and conditions of this License Agreement.

2. Cessation of Publication / Transfer / Take-Over

- 2.1 If 3% or more of the Subscribed Journals cease to be published by Licensor during the Term, upon Licensee's written request, Licensor will, at Licensor's sole option, offer to Licensee (1) access to additional Content not presently licensed to Licensee, with an approximate value equal to or greater the value of the discontinued Subscribed Journal, or (2) a credit toward any future acquisition of a Product in the amount of the value of the discontinued Subscribed Journal. The value of any discontinued Subscribed Journal will be determined by Licensor in good faith, taking into account factors which may include, without limitation, number of articles, number of pages, impact factor, usage factor, list price, or any other formula including any or all such factors.
- 2.2 If Licensor's publishing rights to a Subscribed Journal are transferred to another publisher, Licensor will use commercially reasonable efforts to provide Licensee with access to the Content of the Subscribed Journal licensed under these Product Terms either (a) online on the Platform, (b) online on the new publisher's website, or (c) offline by providing the same on a digital storage medium. In case of (c) above, use of the Subscribed Journal shall be subject to the terms of this License Agreement, except for Sections 4.3 and 4.4 of the General Terms and Conditions. If Licensor is unable to do any of the foregoing, Section 2.1 above shall govern.
- 2.3 If Licensee subscribes to one or more journals from a third-party publisher which are acquired by Licensor during the Term (the "Take-Over Journals"), the Take-Over Journals will be added to this License Agreement after expiration of Licensee's subscription with the third-party publisher, to the extent Licensor's acquired rights in the Take-Over Journals permit. The current year list price of the Take-Over Journals will be added to the License Fee.

3. Content

- 3.1 In addition to the Subscribed Journals, Licensee will be granted access to the Content of the titles set forth in Section 3.2, published beginning 1997 (or, if later, first date of publication).

Product Terms
Single Title Journal Subscriptions
(Nature Research Group)

1. Term and Continuing Access

1.1 The Term shall begin on January 1, 2017 (the “Commencement Date”) and shall end on December 31, 2017.

1.2 Licensee shall have Continuing Access to all Content of each Subscribed Journal first published during the Term and, on a one-time basis only, in the 12-month period immediately preceding the Term, subject to all terms and conditions of this License Agreement. For clarification, 2017 titles will have continuing access to 2016 and 2017, and access during their subscription to 2013, 2014, and 2015. Subscriptions activated prior to 2016 will have continuing access to years subscribed and transition to 2013 access from the four year rolling access model.

1.3 All continuing access rights guaranteed in previous Agreements that guarantee access beyond the new model shall be honored in this License Agreement, specifically in the January 1, 2007 license, Agreement Ref No. 009175”.

2. Cessation of Publication; Transfers

2.1 If 3% or more of the Subscribed Journals cease to be published by Licensor during the Term, upon Licensee’s written request, Licensor will, at Licensor’s sole option, offer to Licensee (1) access to additional Content not presently licensed to Licensee, with an approximate value equal to or greater the value of the discontinued Subscribed Journal, or (2) a credit toward any future acquisition of a Product in the amount of the value of the discontinued Subscribed Journal. The value of any discontinued Subscribed Journal will be determined by Licensor in good faith, taking into account factors which may include, without limitation, number of articles, number of pages, impact factor, usage factor, list price, or any other formula including any or all such factors.

2.2 If Licensor’s publishing rights to a Subscribed Journal are transferred to another publisher, Licensor will use commercially reasonable efforts to provide Licensee with access to the Content of the Subscribed Journal licensed under these Product Terms either (a) online on the Platform, (b) online on the new publisher’s website, or (c) offline by providing the same on a digital storage medium. In case of (c) above, use of the Subscribed Journal shall be subject to the terms of this License Agreement, except for Sections 4.3 and 4.4 of the General Terms and Conditions. If Licensor is unable to do any of the foregoing, Section 2.1 above shall govern.

3. Content

3.1 In addition to the Subscribed Journals, on a one-time basis only, Licensee will be granted access to the Content of the titles set forth in Section 3.3, published in the 12-month period immediately preceding the Term.

3.2 For Licensees renewing Subscribed Journals from Nature Publishing Group (renewal from immediately preceding year), access will be granted to all Content of the Subscribed Journals beginning 2012 (or, if later, first date of publication).

Collection and/or, remittance of such taxes to the relevant tax authority shall be the responsibility of the party who has the legal obligation to do so.

If, based on applicable law, any sales, value added or similar taxes are or become chargeable, Customer will reimburse Licensor by means of paying an amount equal to the amount of such taxes in addition to and at the same time as paying the principal amounts. Licensor shall provide to Customer an appropriate invoice as required by law. If, based on applicable law, any withholding or similar taxes are or become chargeable, Customer is not entitled to deduct these taxes from the principal amounts. Customer shall remit these to the competent tax authority and shall provide Licensor with appropriate evidence of the remittance.

Payment will be deemed made when received (i) by Licensor, (ii) a Licensor Affiliate, (iii) an agent designated by Licensor, or, (iv) with Licensor's prior written consent, an agent designated by Licensee.

7. Term and Termination

7.1 Either Licensor or Customer may terminate the License Agreement immediately upon written notice to the other party if the other party (including, with respect to Customer, an individual Licensee) materially breaches this License Agreement and fails to cure such breach within thirty (30) days after written notice from the non-breaching party specifying the breach in reasonable detail.

7.2 Either Licensor or Customer may terminate the License Agreement immediately upon written notice to the other party (including, with respect to Customer, an individual Licensee) if (a) a petition in bankruptcy or for a reorganization or arrangement pursuant to the bankruptcy laws is filed by the other party, or (b) a petition in bankruptcy or for reorganization or arrangement pursuant to the bankruptcy laws is filed against the other party and such petition is not dismissed within 90 days, or (c) an order is entered directing the liquidation of the other party, or (d) the other party becomes insolvent, or (e) the other party assigns all or substantially all its assets for the benefit of creditors, or (f) the other party shall apply for, or consent to, the appointment of a receiver, trustee or liquidator for all, or a substantial part, of its assets, or (g) the other party ceases paying its debts on a regular basis, unless prohibited by applicable law.

7.4 Licensor may temporarily suspend the provision of the Content to a Licensee with immediate effect on written notice if Licensor has reasonable grounds to believe that Content is being used in a manner contrary to the terms of this License Agreement, without prejudice to any other rights Licensor may have at law or in equity. Upon becoming aware of any unauthorized use, the Licensor and Licensee will take reasonable and appropriate steps to both ensure that such activity ceases and to prevent any recurrence. The Licensor and Licensee agree to cooperate in good faith and to provide sufficient exchange of information to prevent any further unauthorized use.

7.5 In the event of termination or expiration of the License Agreement for any reason (a) the license grant shall terminate with regard to the Content, (b) Licensee shall discontinue accessing the Content via the Platforms, and (c) Licensee shall delete or destroy all copies of the Content on electronic and physical storage mediums within the Licensee's control, and shall take reasonable measures to instruct Authorized Users to delete or destroy all copies of the Content on electronic and physical storage mediums within the control of Authorized Users. . All indemnification, confidentiality, and payment obligations in the License Agreement up to the termination date shall survive such termination or expiration.

7.6 Any termination right under this Section 7 may be exercised by or against Customer, or an individual Licensee, provided that in the case of termination by Licensor with respect to an individual Licensee, or termination by an individual Licensee with respect to Licensor, this License Agreement shall remain in effect with respect to all other Licensees.
