Product Terms
Single Title Journal Subscriptions
(Springer Research Group)

1. Term and Continuing Access

- 1.1 The Term shall begin on January 1st, 2018 (the “Commencement Date”) and shall end on December 31st, 2018.
- 1.2 Licensee shall have Continuing Access to all Content of each Subscribed Journal first published during the Term and, on a one-time basis only, in the 12-month period immediately preceding the Term, subject to all terms and conditions of this License Agreement. For clarification, 2018 titles will have Continuing Access to 2017 and 2018, and access during the Term to 2014, 2015, and 2016. Subscriptions activated prior to 2017 will have Continuing Access to years subscribed and transition to 2014 access from the four year rolling access model.
- 1.3 All Continuing Access rights guaranteed in previous License Agreements that guarantee access beyond the new model shall be honored in this License Agreement, specifically in the January 1, 2007 license, Agreement Ref No. 009175”.

2. Cessation of Publication / Transfer / Take-Over

- 2.1 If 3% or more of the Subscribed Journals cease to be published by Licensor during the Term, upon Licensee’s written request, Licensor will, at Licensor’s sole option, offer to Licensee (1) access to additional Content not presently licensed to Licensee, with an approximate value equal to or greater the value of the discontinued Subscribed Journal, or (2) a credit toward any future acquisition of a Product in the amount of the value of the discontinued Subscribed Journal. The value of any discontinued Subscribed Journal will be determined by Licensor in good faith, taking into account factors which may include, without limitation, number of articles, number of pages, impact factor, usage factor, list price, or any other formula including any or all such factors.
- 2.2 If Licensor’s publishing rights to a Subscribed Journal are transferred to another publisher, Licensor will use commercially reasonable efforts to provide Licensee with access to the Content of the Subscribed Journal licensed under these Product Terms either (a) online on the Platform, (b) online on the new publisher’s website, or (c) offline by providing the same on a digital storage medium. In case of (c) above, use of the Subscribed Journal shall be subject to the terms of this License Agreement, except for Sections 4.3 and 4.4 of the General Terms and Conditions. If Licensor is unable to do any of the foregoing, Section 2.1 above shall govern.
- 2.3 If Licensee subscribes to one or more journals from a third-party publisher which are acquired by Licensor during the Term (the “Take-Over Journals”), the Take-Over Journals will be added to this License Agreement after expiration of Licensee’s subscription with the third-party publisher, to the extent Licensor’s acquired rights in the Take-Over Journals permit. The current year list price of the Take-Over Journals will be added to the License Fee.

3. Content

- 3.1 In addition to the Subscribed Journals, Licensee will be granted access to the Content of the titles set forth in Section 3.2, published beginning 1997 (or, if later, first date of publication).
