

COPPUL / OCUL / CAUL-CBUA / CREPUQ Resource Sharing Agreement

Letter of Understanding

December 2007

This letter of understanding formalizes the resource sharing agreement between the Council of Prairie and Pacific University Libraries (COPPUL), the Ontario Council of University Libraries (OCUL), the Council of Atlantic University Libraries / Conseil de Bibliothèques Universitaires de L'Atlantique (CAUL-CBUA) and the Conference of Rectors and Principals of Quebec Universities (CREPUQ).

In the interest of developing Canadian resource sharing and promoting common standards, COPPUL, OCUL, CAUL-CBUA and CREPUQ agree to extend reciprocal interlibrary loan / document delivery privileges according to the terms outlined in this document. As a basic principle, all parties agree to exhaust local resource sharing opportunities before borrowing from each other.

This agreement will be effective January 2, 2008. It shall be reviewed by the parties in the fall of 2009 to determine whether any changes are required.

A list of COPPUL participants is attached as Appendix A. OCUL participants are listed in Appendix B. CAUL-CBUA participants are listed in Appendix C. CREPUQ participants are listed in Appendix D.

6. Loan Formats

Books and microforms only.

7. System Compatibility

COPPUL, OCUL, CAUL-CBUA and CREPUQ agree to support and promote the IPIG profile of the ISOILL 10160 and 10161 standards as the desired messaging format, and will make every effort to ensure their ILL systems are compatible with these standards. COPPUL, OCUL, CAUL-CBUA and CREPUQ will continue to support generic script within their ILL systems as a secondary messaging format.

COPPUL, OCUL, CAUL-CBUA and CREPUQ will test compatibility and communication between their systems prior to any upgrade to their current ILL software systems or implementation of new ILL software systems and will work to maintain minimum disruption of ILL messaging between the three consortia during these periods.
